We specialise in providing:

- In-house, tailor made sales training courses (1-5 days duration)
- Open courses (Delivered throughout the UK at various locations)
- Ongoing sales development programmes (From 5 days to 2 years)
- Blended learning solutions (online and offline)
- Sales coaching (With Sales Directors or Sales Executives)

Our team of highly skilled and experienced trainers and consultants have all had distinguished careers in senior sales roles and bring with them a wealth of practical experience to each course. At MTD Training we will design and deliver a solution that suits your specific needs addressing the issues and requirements from your training brief that best fits your culture, learning style and ways of working.

MTD Have Worked With...

Credibility and trust are two important factors when selecting an external training partner as you will want to know that you are in safe hands. From multi-nationals through to the small business, no matter what your industry, size or complexity is, we have delivered training to over 2,000 different organisations that include:

MTD Can Help You With...

When it comes to helping you and your sales teams we can do this in a number of ways.

Whether it be through attending one of our **open courses** that we run at different locations throughout the UK or whether you'd like a **bespoke, custom designed programme** – we can provide you with the solution that best suits your requirements.

It's not just training that we offer!

We also offer 121 coaching solutions, sales consulting and also blended programmes.

Bottom Line?

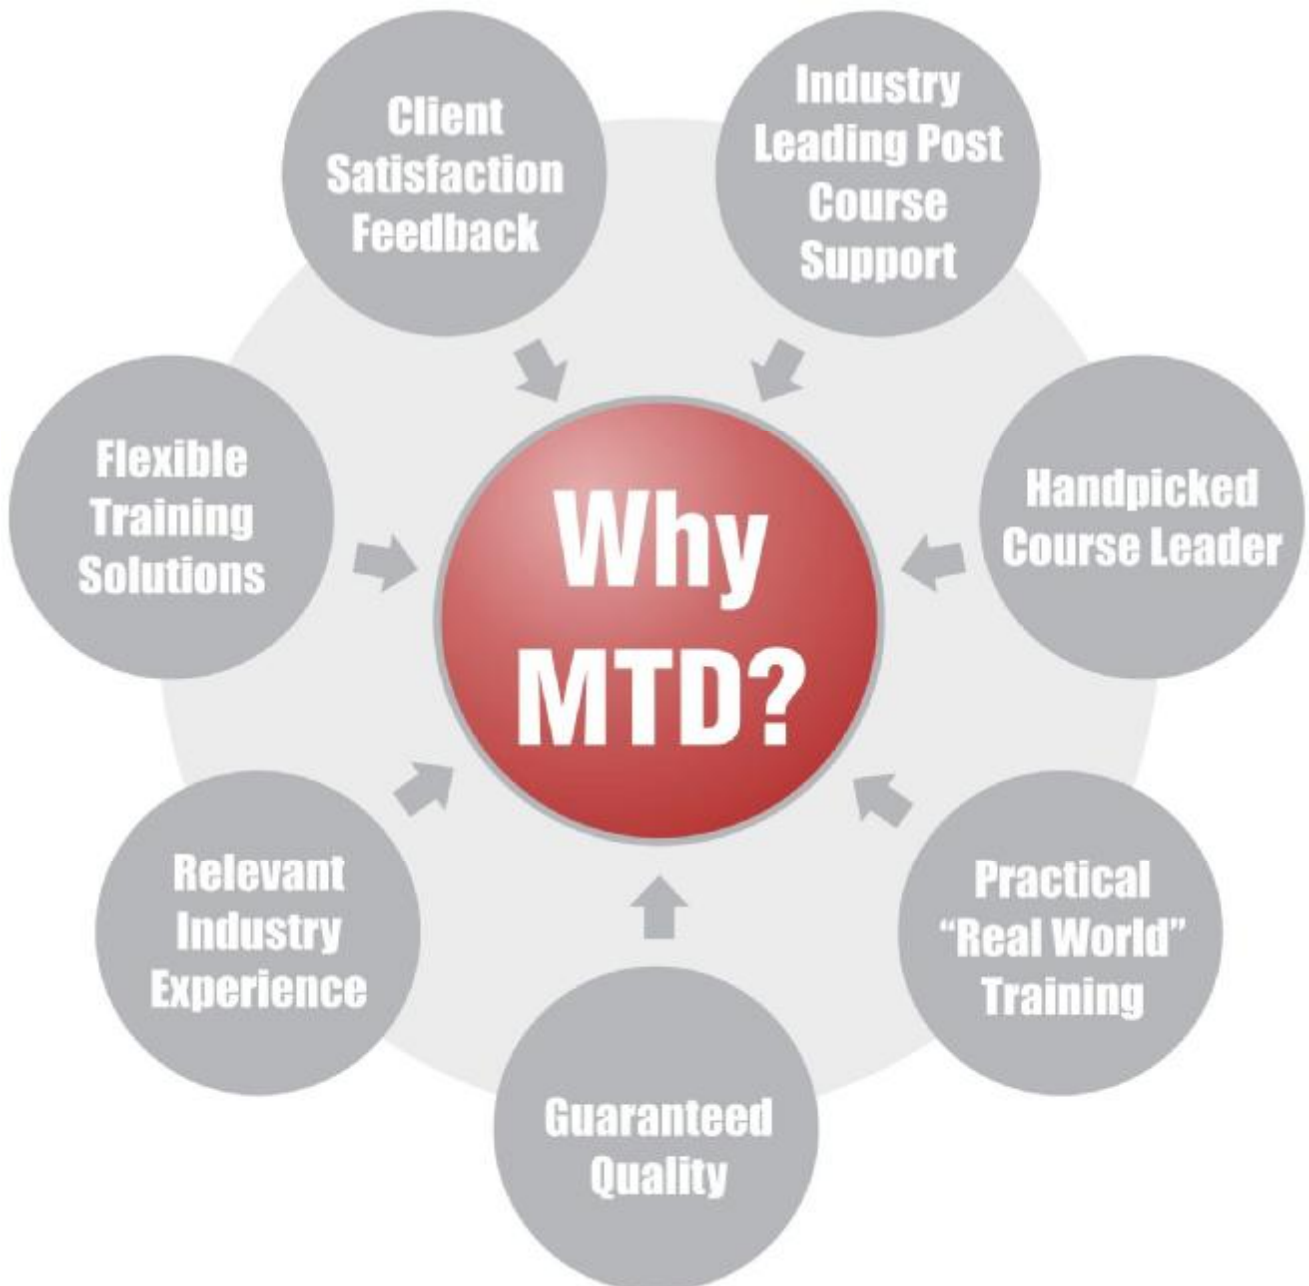

We'll design and do what it takes to help you to make more sales!

Why Do Companies Choose MTD?

Selecting a training provider can be a daunting experience as you've got to cut through the fog of company brochures and unique selling propositions and then you've got to determine whether they are a good fit for your company and if they will really make a difference to your business!

Here are the main reasons why our existing clients chose MTD over all others:

Practical “Real World” Training

Your sales people will not be bored with lecture like sessions!

Our training is very practical and focused on real world situations and topics that your sales people face on a day to day basis. Before the training we'll gather a lot of information and feedback from you and your sales teams for specifics on particular scenarios so the content, materials, discussions and activities are 100% relevant!

We appreciate that it's the application of the learning that's vital so as well as covering the techniques we always cover what your sales people should do to actually put it into practice when they get back to work. We will not simply just deliver an “off the shelf” solution.

It's important that we get to know your business, how it operates and its culture. We will want to understand where you're heading and the current business drivers to input into the training. The keyword with all of this is “relevancy”. Everything has to be relevant to your objectives, your company and industry as a whole.

Unrivalled Industry Leading Post Course Support

It's a complete waste of time and money if your sales people come back to work, say “It was a great 2 days” and then do nothing about it and make no changes to the way that they sell!

The embedding of the learning back in the workplace is the ultimate yardstick as to whether the training will be a success or not.

Here at MTD we understand this and we make the embedding of the learning a key theme all throughout the training that your people will receive and in the post course support we will offer them.

We provide you with a number of resources that will help your sales people to embed their learning.

Flexible Training Solutions

All of our solutions are designed and delivered around your exact requirements.

We will take your initial brief and instead of delivering an off the shelf solution, all of the training will be geared around the outcomes, behaviours and the skills that you would like your sales people to improve.

As part of your programme we can also use a **blended approach** to training if it's right for your programme and company. We can design and record **videos, e-learning modules, podcasts, webinars, tele-seminars** – you name it! Our multi-media suite is geared up for a complete blended variety of learning approaches that will provide variety and flexibility.

What we offer goes way beyond that of just providing courses. In addition to all of the blended learning options mentioned above, we also offer **360° feedback questionnaires, personality assessments, simulations, coaching, role plays using actors, video play back, a full administration function** that includes delegate bookings, sending joining information etc

Relevant Industry Experience & Handpicked Course Leader

There is nothing worse than a trainer who “loses the group” because of their lack of knowledge and experience of your industry.

There are **3 vital qualities** in our trainers that will give them **“street credibility”** with your people.

Firstly, all of our trainers ***have been sales professionals*** in previous lives. We feel that this is very important as the trainer can relate to the pressures and the challenges that your sales people are facing now and in the future.

Secondly, your trainer will have had **experience of your industry**. We do not simply select a trainer that is available. We will match the right trainer to the right industry who can speak your “lingo” and knows the challenges that your industry faces.

Finally, the **trainer’s style has to be right**. That’s why we make sure that you get to meet the trainer very early on in our discussions.

Guaranteed Quality

We are an **ISO 9001** certified training provider. That means that we regularly have all of our processes, quality standards and material audited to achieve our accredited status.

This gives you the peace of mind about the quality and consistency on the services that we provide.

Quality accreditations aside, we **guarantee the work that we do.**

We believe that there should be no risk on you whatsoever to select MTD and we also believe in the solutions that we offer so much that here's our risk free promise to you:

“Select MTD to help you with your training programme and if for any reason whatsoever you are not 100% happy with what we have done then you will not pay a penny”

We have actually made our risk free promise a part of our terms and conditions of doing business with you.

Client Satisfaction Feedback

You're only as good as your last course and we take client satisfaction very seriously here at MTD to maintain the very high standards that we set ourselves.

We have collated the output from our last **5,000** feedback forms (this is a rolling average updated twice per year) and our courses are consistently rated **9.2 out of 10** across 8 different criteria ranging from how relevant the content was through to whether it was delivered at the pace, through to the presentation skills of the trainer and their knowledge levels on the subject topics.
